

† Classes are off to a good start and we have an increase in numbers in several classes. Please pray that we have wisdom in dealing with a few that lack in good behavior, they can be a distraction to others.

† We are grateful for some gifts that came in designated to paying for the bus rental for one of our Corning classes. Four months are covered.

† November 4th - we hold Day of Prayer with other Central NY missionaries.

† November 13 – we have our monthly committee meeting.

† **Ministry and Money** – Love ministry, dislike talking about money. Yet the reality of a lack of ongoing financial funds each month to our General Fund has us very concerned and we cannot continue in this downward spiral. Praying that God will open His unlimited resources to bring our account current and keep it that way as we proceed ahead. If God chooses not to supply these needs through donors and fundraising events, we will need to take a hard look and make cuts that could result in seeking additional employment outside of BCMI. The ripple effects would also result in ministry cuts. Our current budget in the general fund lacks approximately \$1500 a month. Please pray with us! Our theme in class this year is God Gives Us Victory – trusting it is His will for victory over these financial matters. He is Faithful and He is good – all the time! Believing that “God can do the most with what we think is least.”

† **Save the date** – May 12, 2018 – Our 75th Year Celebration to be held at Watson Homestead, details will be published early in 2018.
